Dear Mr. Martin:

By now you ought to know how strongly everybody wants you to do everything possible to bring about CABLE CHOICE!

I know it is easier said than done done! Honestly, do you really believe that you are doing all that you can to bring this about!

Honestly, I do not — and neither do all my acquaintances and friends!

I urge you to organize like-minded person in you organization to take stronger steps to bring about Cable Choice as a universal solution to the disgusting innumerable "presentations" being supported by the people against their will on so many TV networks!

Sincerely yours,
